Concow Phoenix Project is a grassroots organization dedicated to the recovery of the community and land of the Concow basin after the Butte Lightning Complex Fires of July 2008. Our mission is to facilitate and support sustainability, rebuilding, community and fundraising. Our goal is to maximize resources for fire survivors who need them.

The maximum grant per household is \$500 quarterly. Applications will be reviewed by Concow Phoenix Project according to standardized, objective criteria. Grants in the form of store credit will be awarded. Application for a grant does not guarantee that a grant will be awarded.

Please be sure to add or explain anything you feel you need to on the back side of this form.
